Vision 2017 Invitation 6th June 2017

We would like to invite you all to a Vision for Learning conference at York campus. This will take place from 7pm on Tuesday 6th June and staff and Campus Administrators will be available for discussion.

This event will give us the opportunity to share the latest updates in the Oneschool Global ethos for Self Directed Learning, technology and educational development so that we are all aware of our individual roles and the part we can play in ensuring the maximum benefit for our children of this exciting initiative.

The Assessment, Learn, Study model is detailed below and forms a part of the structure of how Self Directed Learning is delivered within school. This event will provide a further insight in to the theory of the approach as well as the every day practicalities.

We hope that you will be able to attend this event and look forward to seeing you.

To register for the event please go to <https://app.smartsheet.com/b/form?EQBCT=f7717a50d9c447a6a4b34fb813cae3f9>

19th July 2017—Summer Fete

Laptop spot checks

As we continue to work with ICT in school we have been conducting spot checks with the students. Unfortunately it has come to our attention that some students have been downloading games and other items onto their laptops for personal use. Please can you help reinforce the message that the laptops are for educational purposes only.

Bus arrival times

Please can all buses aim to arrive at school no later than 8.35am. Lateness is having a major impact on the start of the school day, your understanding and support in this matter is greatly appreciated.

Exams

We have a calm sense of purpose around school with exams taking place daily . Thank you to parents for supporting students with travel arrangements and ensuring they are fully equipped for their exams.

Please remind students in Years 11, 12 and 13 that they should register with their usual Form Tutors when arriving on a morning. If they arrive or leave at times other than the usual start or end of the school day please can they sign out at the reception desk so that we can confirm whether they are on or off site in the event of an evacuation.

Exam preparation

With exams taking place most days over the next few weeks it is crucial that students achieve a calm start to their day and this starts even before they get to school.

The following points have been proven to help support students in preparing well for any exam -

- a healthy and hearty breakfast on a morning
- preparing school bag and equipment the night before
- a good night's sleep
- keeping calm and not being rushed on morning

Please can parents support students by making sure that they arrive in plenty of time for their bus/coach on morning having eaten well and supplied with a filling lunch to help with the afternoon exams.

Thank you.

Half term

We hope you all have a lovely half term and that the fantastic weather continues so that we can all return recharged for a busy term full of activities and events (and exams!).

Attendance

Key Stage 2/3 (Year 3-8) -
96.4%

Key Stage 4 (Years 9 & 10) -
95.7%
