MacMillan Coffee Afternoon

On Friday 29th September, Key Stage 2 would like to invite you to York Campus to support MacMillan in its annual coffee and cake event. The year 6s will be in charge of selling coffee and cakes in the hall whilst the Year 3, 4 and 5 children will be running games and stalls that they have designed and constructed themselves in their classrooms. The event will run between 1:30 and 2:30pm.

Please can we ask for donations of cakes and buns, to be sent to Mr Cook's classroom, to be sold during the afternoon.

Please can you make us aware if any of the items that you send contain any of the following ingredients - Nuts, Peanuts, Eggs, Milk, Fish, crustacea, molluscs, Gluten, Celery, Lupin/Mustard, Sesame seeds, Soya, Sulphur Dioxide.

If any parents are available to help with the event your support would be greatly appreciated. Please let Mr Cook know if you are available.

KS2 children will be allowed to leave early once the classrooms are all tidied following the event.

Springwell Closure Date— Tuesday 7th November 2017

Due to staff training the Springwell campus will be closed on Tuesday 7th November 2017 and students will travel to York for their studies that day. Apologies for any inconvenience this may cause.

School Photographs—Friday 6th October 2017

A photographer will be in school on 6th October 2017 to take student year group photographs for all classes in school. Please can we ask parents for their support in ensuring that students are in full uniform for this day. If the weather is fine we hope to have the photographs taken outside otherwise they will be taken in the hall.

Winter uniform

Please can we remind parents that the winter uniform should be worn by students from 2nd October onwards — this includes the Year 12 & 13 girls wearing their ties.

Many thanks for your support with this.

News from Key Stage 2/3

Over the last few weeks in Year 6, we have been expanding our knowledge of place value, multiplying and dividing decimal numbers by 10, 100 and 1000. Questions they have correctly answered, that you can try, include: $56 \div 10$, 2.3×1000 , 0.012×600 .

We've also been adding and subtracting numbers which are multiples of 10. The most challenging question answered correctly being $346,347,346,342 - 100,000,000$. Never a dull day in Year 6!!

Young Enterprise In Focus Schools

6 Year 12 students went down to Warwick to represent York Campus for the launch of Young Enterprise in Focus schools. The students were Duane Luke, Warwick Oliver, Candace Shorto, Zoe Goodenough, Lynton Ellis and Leif Soulsby. It was an intense day of presentations and activities to prepare the students for the competition ahead.

Students were required to come up with an idea for an App and then present in the first round to other schools in the North. The winner would represent schools in the North region against the winner of West and East in the final presentation to all at the event. The prize was a half day Land Rover experience donated by JLR who presented at the event.

The students performed admirably and were defeated narrowly by Bramley who went on to win the overall competition. The students learnt a lot from the day and I am sure they will perform well in the YE competition this year.

Regional Learning Support Co-ordinator

Thank you to those parents that have contacted school to arrange a meeting with Caroline Telford our Regional Learning Support Co-ordinator. If you would like to meet her please contact Mrs Lawson at school who will be happy to schedule you an appointment.
