Candlelighters Charity Fundraising

After a fantastic effort and lots of hard work by Cedar Bailey, Darcie Michel and Rheanna Oliver in Year 10 we were delighted to welcome in a representative from the charity to accept a cheque for £2488.53. The girls worked really hard in promoting the charity and arranging a bake sale with the support of their family and friends providing the treats for us to eat (which we all enjoyed!). Congratulations to the girls for working so hard for such a worthwhile cause.

Salvation Army Christmas Toy Appeal

This half term we have decided to help Salvation Army with their toy appeal. The aim of this is to provide gifts for under-privileged children at Christmas time in the spirit of helping out those less fortunate than us. For some people receiving a small gift lets them know that other people care about them, so we would be very grateful of any donated gifts that people could give. These can then be distributed by the Salvation Army to children that are in need. Suggested gifts are listed below. We will be collecting all gifts at reception in school for the next 2 weeks, with the deadline being Wednesday 29th November 2017. For more information about the charity please visit

Year 11 and 13 Mock Exams

A timetable has been emailed to the parents of students in years 11 and 13 this week detailing when the mock exams will be taking place in January. Students will be given this information next week and we would like to thank parents in anticipation of their support in ensuring that students are adequately prepared for these mock exams.

Keeping Warm Outdoors

Please can we remind parents to ensure that students bring an outdoor coat to school every day. The students really enjoy their time outside getting some fresh air but are reluctant to go if the day is cold and they have forgotten to bring a coat. Thank you for your support .
