

YORK CAMPUS WEEKLY BULLETIN

12th January 2018

AlbaFestum

As reported last week the AlbaFestum team had a massive success by raising the amazing total of £4333.67 from the winter fair and talent show. All students were involved in some way and the day was very enjoyable for all.

We thought you might like to see a few photographs from the day. The AlbaFestum team are hoping to produce further records of the day as a celebration of all that was achieved.

Data Protection Consent Forms

All students should have brought home 2 consent forms this week that need signing and returning to school.

We would appreciate if parents and students could return the completed forms to school by 19th January 2018 at the latest.

CANVAS - Parental Access Pilot

Parents at Springwell are involved in a pilot whereby they can access their child's CANVAS account and monitor homework that has been set, completion deadlines and some of the marking and feedback given to students.

If successful this will be rolled out to all parents nationally in the future.

School 24 - Lunches

Thank you to all the parents and community members who have offered to support school lunches - we are confident that the numbers will allow us to move forward to the next stage of process.

We will be in contact with those that have offered to help in due course.

Enrolment Forms

Thank you to all those parents that have completed and returned the enrolment forms as requested. If you have not yet completed a form for each of your children and sent it into school we would appreciate if you could do so as soon as possible please.

Forms can either be completed electronically and emailed to andrea.lawson@focus-school.com or yorkcampus@focus-school.com or paper copies can be completed and sent in to school with your child. If you require a blank paper form to complete please email one of the above addresses and we will send a form home with your child.

National Conference - Leading Remarkable Learning UK 2018

At the start of the year we advised you that the Focus National Conference would be on Friday 23rd February 2018 and as a result the school is closed on that day. We have now received confirmation that the event will take place on Thursday 22nd February and Friday 23rd February 2018 in Birmingham. Our original school term dates only detailed a school closure on 23rd February therefore please note that school will be closed for both the Thursday and Friday of that week.

Vertical Tutor Groups

Students are now settling in to their tutor groups well and developing new relationships with other students. We hope that in time these friendships will encourage interactions between year groups and foster an environment of understanding and mutual support across all ages within school.

Year 8 Parent Consultations

We look forward to welcoming parents of year 8 students in to school on the afternoon of 23rd January 2018. The timetable for appointments has been sent home this week. If you have any queries please do not hesitate to contact school.

Coughs and Sneezes

We seem to have many children with coughs, colds and sickness at the moment. If your child is sick please can we remind you that they should ideally be kept off school for 48 hours after the last bout of sickness to minimise further illnesses.
