

YORK CAMPUS WEEKLY BULLETIN

9th February 2018

Half Term Break

As we end the first half-term of 2018 we have now conducted most of the MAPGrowth testing and will be finishing off outstanding tests after the half-term break.

The next half term is only a short 5 weeks and then we will be in to the summer exam series. We would encourage all students that are sitting external exams this summer to, at the very least, have a revision timetable devised to be able to make the most of their time between now and when the exams start (week commencing 14th May 2018).

If any students would like support in revising for their exams please speak to Mrs Sloan (Key Stage 4) or Mr Parkin (Key Stage 5).

Student School Email Accounts

Further to correspondence sent home earlier this term all students in years 9, 10 and 11 now have access to their own school email accounts.

Please can we remind parents that they should be monitoring their child's email account on a regular basis to ensure that it is being used appropriately. Guidance on how to do this is attached with this bulletin along with a copy of the consent form which details the rules for safe use of the account.

There has inevitably been a rush of enthusiasm from the students with the implementation of this but it is most important that parents undertake this monitoring as it is not something that we are able to do in school.

Thank you for your support in this and do not hesitate to contact school should you have any questions.

YORK CAMPUS WEEKLY BULLETIN

Holiday Arrangements

Please can we take the opportunity to remind parents of the contents of the Focus Attendance Policy and particularly in relation to student absence for holidays. Evidence has shown that any period longer the 10 school days over an academic year can have a detrimental impact on exam results on leaving school.

With the demands of new curriculum content and development of new ways of working within York campus good attendance can only help support the students achieving their maximum potential.

Your support as parents in this process is key and we need to continue to work together to ensure that attendance is maintained at a high level.

Lost Property

Any items left on buses or found around school will be on the reception desk for a day and will then be moved to lost property if not claimed.

If your child loses something please email school and we will have a look for it and add it to our Lost and Found feature on the weekly bulletin.

goodbye!

Goodbye to Mrs Piquiot

Mrs Piquiot, who has been teaching French to our year 7 and year 11 students since last April, is leaving us today. We are very sad to see her go as she has been a great asset to the school. We would like to wish her well for the future.
